PRODUCT INTRODUCTIONS

AUTHENTIC

100% EnVision™ BCF Nylon 6,6

Pattern | 36 colors

With crisp lines, but no truly defined pattern elements. Authentic pulls you in, but won't command the room. It provides a wonderful canvas for a modern sophisticated room. Made from Envision 66 fiber, with a color line that extends into beautiful blues, greens, pinks and terra cotta's Authentic will also hold its own as a feature rivaling abstract Nepalese area rugs.

BANDALA JAZZED

100% EnVision™ BCF Nylon 6,6

Textured Loop | 24 colors

Over our 154 year history there are a few products that have reached iconic status. Bandala is a brand of its own with a long legacy of success. Our newest version is features Envision 66 fiber which lends a subtle tonal element that enhances this structure even more. It's softer than ever – proving that Bandala Jazz will remain our sisal-like, wall-to-wall, area rug, and light commercial go to product into the next generation.

GRACE

100% STAINMASTER® PetProtect BCF nylon type 6,6 Color Play Process

Loop | 15 colors

This rhythmical creation is achieved with our “ColorPlay” process, an innovation for creating color variations on solution dyed nylon. The “Colorplay” process offers the best of both worlds: unmatched performance and beautiful visuals. Smooth, subtle, authentic color movements on a foundation of durability, stain resistance, and cleanability. Grace is made with STAINMASTER® Pet Protect® fiber, processed using our “Colorplay” technique to create colorations that fit perfectly in today’s home interiors where hard and soft surfaces coexist in harmony.

MESA BELLA

100% EnVision™ BCF Nylon 6,6

Cut & Loop Pattern | 36 colors

Movement and texture drive this timeless yet modern design. Brush-like strokes in a random cut and loop pattern is finely executed and enhanced by a noteworthy palette. Colors transition with subtle effect enhanced by tufted design techniques. Dramatic accent colors of greens, blushes and an ever-timeless array of blues bring a landscape of beauty into your home.

NUEVA VISTA

100% EnVision™ BCF Nylon 6,6

Structured Pattern | 24 colors

A new look with familiar notes, this structured pattern is given depth and movement through subtle tonal yarns. A common and approachable theme with a sense of something just different enough. It is a pattern that will feel at home in modern interiors as well as traditional. Featuring Envision 66 fiber, the colorline is made up with a broad bank of new neutrals and crisp accents of blue and green.

JIYA

100% Wool

Loop | 8 colors

A handloomed free-spirited beauty, Jiya embodies an exuberant sophistication that can only be expressed in the qualities of wool. Random movements in color are at once shadowed and vibrant with a space-dye effect and a loop of nylon for sheen and durability. A rich color palette ranging from needed neutrals to unexpected jewel tones continue the dialogue of understated glam. A perfect rug item for a base layer of design, Jiya expresses a livable, adventurous spirit.
